

Stryk by BUX Mega Battle

Terms & Conditions

1. To qualify for the competition, which starts on 1 December 2022 you need to:
 - a. Register for the "Stryk Mega Battle" by filling in the subscription form for the competition;
 - b. Accept the Terms & Conditions for this competition at the point of subscribing for the competition;
 - c. Have an active Live Stryk account before 26 November 2022, 23:59:59 hrs;
 - d. Accept the in-app invitation for qualifying rounds between 27 November 2022 and 30 November 2022;
2. The Stryk Mega Battle starts Thursday 1 December 2022 (12 calendar days).
3. The sign up for the competition expires at 23:59:59 on 30 November 2022.
4. The ranking of the users will be decided on the basis of the highest percentage return as mentioned in point 6.
5. The winner of the finale will be the individual with the highest P&L percentage return as mentioned in point 6.
6. For the purpose of the ranking, the P&L of all participants shall be set to zero at the start of the Battle. Any deposit or withdrawal made during the Battle period will not be counted towards the calculation of the ranking. At the end of the Battle, your ranking is decided on the highest return on investment achieved during the Battle period.
7. Please be aware, moving a position to the 'Investing' tab removes it automatically from the calculation of your Battle performance. In the same way, since moving a position from the 'Investing' tab to the 'Trading' tab skews the results of the Battle, all users who move their positions from 'Investing' to 'Trading' during the Battle will be disqualified.
8. Live Stryk users who convert back to Demo Stryk within the Battle period will be disqualified from the competition.
9. This offer is limited to the first 50 users.
10. In accordance with ESMA regulations there are no rewards or prizes for this competition.
11. Stryk is the sole arbiter of the competition and reserves the right to alter, amend, extend or foreclose the competition at any time without prior notice.
12. Stryk reserves the right to disqualify a user participating within the competition if Stryk is of the opinion that the spirit of the competition is being abused or irregular trading patterns are not observed.
